Land in Arcos de la Frontera

€394,000

Arcos de la Frontera, Cádiz

Plot: 70000 m²

Overview

For sale is a large plot with a project and a refurbished ruin in idyllic location right on Lake Borno. The quiet surroundings and the proximity to the water make the area ideal for agricultural projects, ecological agriculture or as a retreat in nature. The property offers plenty of potential through fertile soils and a fantastic view. Whether as a self-catering farm, a natural project or an investment object, there are many possibilities. A rare opportunity for those looking for nature and project space. Price and sightseeing on request.
