Overview

MAGNIFICENT COUNTRY ESTATE WITH FIVE RESIDENCES, SWIMMING POOL AND EXTENSIVE OUTDOOR LEISURE AREAS IN PIZARRA, MÁLAGA

An exceptional property combining space, privacy, natural beauty and outstanding potential, set in a privileged location in the heart of the Guadalhorce Valley.

Situated in the peaceful countryside of Partido Fuensanta, approximately one kilometre from the centre of Pizarra, this impressive country estate offers a rare opportunity to acquire a truly distinctive property.

Surrounded by beautiful Andalusian countryside, the estate enjoys a tranquil setting while remaining conveniently

close to local amenities and services.

The property occupies a generous 11,065 m2 plot, with a total registered cadastral built area of 1,037 m2, of which 774 m2 are recorded for residential use.

The estate is marketed as comprising five residences offering a total of 14 bedrooms, together with various additional buildings, a private swimming pool, landscaped gardens and extensive outdoor entertainment areas.

FIVE RESIDENCES OFFERING SPACE, COMFORT AND VERSATILITY

One of the most remarkable features of this estate is its residential layout, comprising a spacious main residence accompanied by four additional living accommodations.

This arrangement offers exceptional flexibility, making the property particularly attractive to large families, multigenerational households or those wishing to accommodate visiting relatives and friends while maintaining a comfortable degree of privacy.

The main residence provides generous living accommodation, while the additional residences offer further possibilities for independent living and guest accommodation.

The buildings are thoughtfully positioned throughout the estate, creating a charming residential setting that combines shared outdoor spaces with areas of greater privacy.

With 14 bedrooms across the property, the estate offers substantial accommodation capacity and considerable potential for a variety of residential uses.

BEAUTIFUL GARDENS AND EXTENSIVE OUTDOOR SPACES

The outdoor areas are undoubtedly among the most appealing features of this magnificent estate.

Set within more than 11,000 m2 of land, the property benefits from spacious gardens, mature vegetation and peaceful surroundings that capture the essence of traditional Andalusian country living.

Olive trees, lemon trees and a variety of fruit trees contribute to the estate's authentic Mediterranean character, creating a beautiful natural environment throughout the grounds.

The various patios, terraces, shaded seating areas and outdoor spaces provide wonderful opportunities to enjoy the region's exceptional climate throughout much of the year.

Open countryside views and the generous size of the plot enhance the feeling of privacy and tranquillity, making the gardens ideal for relaxation, outdoor dining and spending quality time with family and friends.

PRIVATE SWIMMING POOL AND RELAXATION AREAS

The attractive private swimming pool forms one of the central features of the estate's outdoor leisure facilities.

Surrounded by areas designed for relaxation and sunbathing, the pool provides an inviting setting in which to enjoy the warm Mediterranean sunshine.

Whether relaxing by the water, enjoying a refreshing swim or spending a summer afternoon with family and friends, this area creates the perfect atmosphere for outdoor living.

Combined with the surrounding gardens and countryside views, the pool area offers an appealing retreat away from the demands of everyday life.

OUTDOOR ENTERTAINMENT AND SOCIAL AREAS

Another outstanding feature of this property is its excellent selection of spaces dedicated to leisure and entertaining.

The estate benefits from a dedicated entertainment and gathering area featuring a traditional wood-fired oven and barbecue facilities, ideal for family celebrations, outdoor dining and social occasions.

Additional chill-out areas, shaded spaces and a bar area further enhance the outdoor experience, providing comfortable settings for relaxing and entertaining guests.

These facilities give the estate a distinctive character and make it particularly appealing to buyers who value outdoor living and enjoy welcoming family and friends.

The combination of different entertainment spaces allows owners and guests to make the most of the Andalusian lifestyle in a beautiful and peaceful environment.

ADDITIONAL BUILDINGS, STORAGE AND PARKING

In addition to the residential accommodation and recreational facilities, the estate includes a range of practical outbuildings and auxiliary structures.

These include garages, storage areas and additional buildings that provide useful space for equipment, property maintenance and other complementary purposes.

The grounds also offer parking facilities for multiple vehicles, an important advantage for a property comprising several residential units.

The combination of residential buildings, leisure facilities and practical storage areas contributes significantly to the estate's overall versatility.

EXCELLENT LOCATION IN THE GUADALHORCE VALLEY

Situated in the countryside surrounding Pizarra, the estate enjoys a desirable position within one of Málaga's most attractive rural regions.

Pizarra is a traditional Andalusian town known for its welcoming atmosphere, beautiful countryside and convenient location within the Guadalhorce Valley.

The property is approximately one kilometre from the town centre, allowing residents to enjoy a peaceful rural lifestyle without sacrificing easy access to local shops, restaurants and essential services.

Its location also provides convenient connections to other towns throughout the valley and the wider Málaga region.

This balance between countryside tranquillity and everyday convenience makes the estate particularly appealing as a permanent residence or a peaceful second home.

AN EXCEPTIONAL PROPERTY WITH CONSIDERABLE POTENTIAL

The combination of five residences, extensive grounds, a private swimming pool, landscaped gardens, outdoor entertainment areas and numerous additional buildings makes this estate a particularly interesting opportunity within the local property market.

Its spacious layout offers considerable flexibility for larger families, multigenerational living or buyers seeking a substantial countryside property with additional accommodation.

The estate may also appeal to investors interested in exploring the possibility of a rural hospitality or holiday accommodation project, subject to the necessary planning permissions, licences and regulatory approvals.

The property benefits from a municipal resolution recognising its Asimilado a Fuera de Ordenación (AFO)status. Technical and planning documentation is available for review, with the classification and legal status of the individual residential units and their respective floor areas subject to verification.

A UNIQUE OPPORTUNITY IN THE HEART OF ANDALUSIA

More than simply a country property, this remarkable estate offers an attractive combination of space, character,

natural surroundings and lifestyle possibilities.

From its collection of residences and inviting swimming pool to its beautiful gardens and extensive outdoor entertaining facilities, every aspect of the estate contributes to a distinctive countryside living experience.

A property ideally suited to those seeking privacy, generous accommodation and the opportunity to enjoy the authentic Andalusian lifestyle.

Properties offering this combination of land, accommodation and facilities are rarely found together in such a convenient countryside location.
