Benahavís, Málaga

Bedrooms: 3 | Bathrooms: 2 | Built: 162 m² | Terrace: 120 m²

Overview

The expansive roof terrace is the standout feature of this three bedroom duplex penthouse in Terrazas de La Quinta. From here, spectacular panoramic views take in the sea, the surrounding mountains and the neighbouring golf course, with an exceptional sense of space and openness. The property also holds a tourist rental licence.

The open plan kitchen connects to the living room, which features a fireplace and opens onto a partially covered terrace. Glass curtains provide shelter and allow this outdoor space to be enjoyed for more of the year.

A staircase leads to the roof terrace, complete with a jacuzzi and a separate outdoor storage room. Its generous proportions allow for distinct areas for dining, lounging and sunbathing, all enjoying the sweeping outlook.

The spacious master bedroom features an en suite bathroom with a bathtub and opens directly onto the covered section of the main terrace. Two additional bedrooms and a separate bathroom are situated on the opposite side of the property, providing a comfortable separation between the master suite and the other bedrooms.
