## Overview

MAJOR PRICE REDUCTION — NOW €985,000

At the new asking price, the entire holding is now available for approximately €410/m<sup>2</sup>, across three separately registered 800m<sup>2</sup> plots.

PRIME LAND BANK OPPORTUNITY WITH APPROVED MASTER DEVELOPMENT

Position yourself ahead of the market with this rare opportunity to secure 2,400m<sup>2</sup> of urbanisable land within an

approved residential development in the highly elevated area of Montemayor, Montemar.

This is not speculative countryside land — the wider master development has already received approval, creating genuine planning clarity and significant long-term upside potential as the surrounding area progresses toward full activation.

The land is currently divided into three individual 800m<sup>2</sup> plots, each allowing construction over three levels, creating outstanding flexibility for investors, developers, or strategic land bank buyers looking to maximise future resale value.

With panoramic open views, strong future end-value potential, and entry available before full market maturity, this opportunity is perfectly positioned for investors looking to secure assets early within an emerging luxury residential enclave on the Costa del Sol.
