Land in Alhaurín el Grande

€207,760

Alhaurín el Grande, Málaga

Plot: 10388 m²

Overview

Excellent rural estate in Campiñuela, Alhaurín el Grande.

10,388 m² property located in a peaceful natural setting with excellent conditions for agricultural use.

The estate includes a fully productive walnut plantation, allowing immediate yield without the need for new planting.

It benefits from a private well and access to irrigation water from the canal, ensuring a stable water supply throughout the year. Electricity and water connections have also been requested from the Town Hall, improving future usability.

According to current regulations, there is the possibility to build an agricultural storage house, adding practical value

to the property.

The estate stands out for its easy access, natural surroundings, and established production, making it an excellent option for those looking for a working agricultural farm.

A rare opportunity in the area.
