Land with Ruin in Manilva

€995,000

Manilva, Málaga

Plot: 33000 m² | Built: 88 m²

Overview

Huge combined plot of 33,000m2.

It’s very close to the sea and comes with an 88m2 “Almacen”.

As the land is so big you can look to change the legal status of the Almacen and you could apply for a permit to build a single family home – know that typically 1% of the land is allowed, which would mean a 330m2 house with sea views.

I’m thinking horses ?.

Seek legal advice.
