

Land with Ruin in Manilva

€995,000

Manilva, Málaga

Plot: 33000 m² | Built: 88 m²

Overview

Huge combined plot of 33,000m².

It's very close to the sea and comes with an 88m² "Almacen".

As the land is so big you can look to change the legal status of the Almacen and you could apply for a permit to build a single family home – know that typically 1% of the land is allowed, which would mean a 330m² house with sea views.

I'm thinking horses ?.
