As you enter the gated entrance of the development you have private communal parking (gated barrier entrance). A community office is also situated at the main entrance together with an onsite restaurant (soon to be functioning). Also there is a community Tennis court for resident use.

As you walk through the treelined courtyard urbanisation you arrive at the townhouse, which is set over 2 floors.

As you enter the property you have a luxury bespoke kitchen, custom made for the owner. There is also storage

space under the staircase housing the washing machine.

On this ground floor level, you have the 2nd double bedroom with natural light. Ensuite bathroom with shower and window.

Through the kitchen you have a spacious garden / terrace area (currently a temporary pergola erected, which will be removed before departure). This east facing garden has many opportunities to reform and add personal taste and style.

The property has air-conditioning throughout.
