Residential Plot in Sotogrande

€750,000

Sotogrande, Cádiz

Plot: 2586 m² | Built: 833 m²

Overview

This luxury villa project in Sotogrande presents a rare opportunity to build a bespoke home in one of the area's most exclusive residential locations. The sale includes a fully licensed plot and architectural project, with construction ready to begin. Designed to enjoy unobstructed views across the Strait of Gibraltar towards the North African coastline, the villa offers an exceptional setting for a contemporary private residence.

The proposed design features six bedrooms and six bathrooms arranged across multiple levels. The upper floor is dedicated to a bright open-plan living area that connects directly to a covered terrace and outdoor spaces. The bedroom suites occupy the lower levels, with lift and staircase access throughout. A private three-car garage and additional outdoor parking are included. The architectural concept also allows for optional additions such as an

indoor swimming pool and private gym. Estimated construction costs are €3–3.5 million.

Set in an elevated position above the tree line, the plot offers privacy and far-reaching views. Sotogrande is renowned for its golf courses, marina, polo facilities and exclusive residential environment. Its beaches, restaurants and everyday amenities are also within easy reach. This is an opportunity to create a personalised luxury home in a sought-after part of the Costa del Sol.
