Outdoor Oasis with Pool: Outside, a spacious private courtyard features a pool surrounded by mature vegetation and fruit trees. A private luxury hard to find in such a central location.

Historic Details: The property retains unique architectural elements, such as handcrafted wooden doors, large windows with stained glass, and a kitchen featuring period tiles and copper accents that preserve the local character.

Investment Potential: Its layout and size make it the ideal canvas for a high-end tourism project (boutique hotel or B&B) or for a family seeking a prestigious property in one of the most historic areas of the province of Málaga.
