Overview

Where Design, Luxury and the Mediterranean Become Home

We are proud to present one of the most exclusive and exceptional villas in Fuengirola. A truly unique residence where contemporary design, uncompromising craftsmanship and a privileged location come together to create a home unlike any other.

Set in one of the finest locations in Torreblanca, this spectacular villa enjoys breathtaking panoramic views over the Mediterranean Sea, Fuengirola Marina and the surrounding mountains, offering complete privacy and tranquillity while remaining just minutes from every essential amenity.

Fully renovated approximately three years ago, the property was redesigned without compromise, using only premium materials and the highest-quality finishes. Every room has been meticulously planned and crafted to create an elegant, functional and timeless living environment.

The villa stands on a magnificent plot of over **780 m²** and offers approximately **270 m² of built area**, intelligently designed to maximise space, comfort and the seamless connection between indoor and outdoor living.

From the moment you enter, the property makes a lasting impression. A stunning entrance hall featuring an elegant designer chandelier leads into a spacious, light-filled living room, a refined dining area and a spectacular open-plan kitchen equipped with top-of-the-range appliances, complemented by a practical utility room and a guest bathroom.

Originally designed with four bedrooms, the renovation transformed the upper floor into two magnificent oversized suites, prioritising comfort, space and exclusivity. Each suite benefits from its own luxurious en-suite bathroom, offering the experience of a five-star boutique hotel.

The master suite is truly exceptional. It features a spacious walk-in wardrobe, an elegant bathroom with both a freestanding bathtub and a separate walk-in shower, and a spectacular floor-to-ceiling window framing the Mediterranean as the centrepiece of the room. Direct access leads onto a magnificent private terrace with breathtaking panoramic sea and mountain views.

The outdoor living areas have been designed to make the most of the Costa del Sol's exceptional climate throughout the year. From the living room, you step onto an expansive terrace with several relaxation areas and a beautiful private swimming pool, the perfect setting to enjoy unforgettable sunrises and sunsets overlooking the Mediterranean.

The property also includes two independent exterior buildings, offering endless possibilities. They can easily be transformed into a private gym, wellness area, home office, guest accommodation or an exclusive independent suite with its own bathroom, all while maintaining complete privacy.

Designed with everyday convenience in mind, the villa benefits from two separate entrances and two parking areas: a closed garage and a covered carport, providing space for up to three large vehicles.

In terms of technology and comfort, the villa is equipped with state-of-the-art systems, including aerothermal heating, underfloor heating throughout the property, fully integrated hot and cold air conditioning, and premium-quality installations, making it one of the finest-built homes in the area.

Luxury villas exist, but very few combine this level of quality, craftsmanship and attention to detail.

If you are searching for a truly exceptional home with privileged sea views, outstanding finishes and one of the finest locations in Fuengirola, this is undoubtedly a rare opportunity.
