Building Plan

The lot comes with a building plan designed for a contemporary home, conceived to maximize natural light and take advantage of the surroundings. Typically, this type of plot in Mijas allows for the development of villas with open spaces, terraces, a private pool, and landscaped areas—all of which are in high demand in the area.

???? Surroundings and Location

Established residential area in high demand
Close to Fuengirola, La Cala de Mijas, and their beaches
Easy access to the A-7 and AP-7
Close to supermarkets, schools, and restaurants
Natural surroundings with unobstructed views (sea and/or mountains, depending on orientation)

Plots with approved building plans offer a significant advantage, as they reduce administrative processing times and allow development to begin more quickly, making them more attractive to investors and private buyers alike.

???? Ideal for:

Building a custom single-family home
Real estate investment on the Costa del Sol
Second home or vacation home project
