Overview

We are happy to present exclusively this lovely two-story home in Alhaurín de la Torre, set on a 740 m² plot and kept in very good condition.

The property comes with everything you need – a private 32 m² pool, a garage, and all paperwork up to date. The garden is a real highlight, designed by a landscape architect. It's full of charm with beautiful plants, mature trees, small fountains, and a complete watering system. In the evenings, the garden lighting makes it feel extra cozy, perfect for enjoying the warm nights.

From the terrace, you can take in wonderful views of the mountains. The garden also offers a lot of privacy, with very little visibility from outside, making it your own peaceful retreat.

The house is in one of the most attractive areas of Alhaurín de la Torre. You'll find the town center and supermarkets close by, and it's very convenient to reach Málaga Airport. The Town Hall is also in the process of installing community water for the houses in the area, which will be an added benefit.

This property is a great combination of comfort, style, and location – ready to be enjoyed.
