Overview

Some properties are beautiful. Others simply make you feel at home the moment you walk through the door. This is one of them.

Set in the very heart of Málaga's historic centre, this exceptional apartment offers something truly rare: the energy of city life combined with a remarkable sense of peace and privacy. Despite being surrounded by charming streets, cafés and culture, the home feels like a private sanctuary.

Its generous layout makes it incredibly versatile. Whether you're a family looking for a spacious city residence, a couple searching for a unique home with character, creatives inspired by architecture and design, or someone seeking an elegant holiday home with room for family and friends, this apartment adapts effortlessly to

every lifestyle.

Located on the third floor with lift access, you're welcomed by a spacious entrance hall with practical storage, perfect for bicycles, luggage and everyday essentials. From here, the home opens into a stunning open-plan living area where the lounge, dining space and designer kitchen flow seamlessly together, creating the ideal setting for entertaining or simply enjoying everyday life.

A large room currently used as an office, complete with its own bathroom, offers endless possibilities as a guest suite, bedroom or workspace.

Beyond the beautifully designed kitchen, which also features excellent pantry and wine storage, you'll find the private sleeping quarters. The elegant principal suite includes a walk-in wardrobe and an en-suite bathroom, while two additional spacious bedrooms share another full bathroom. Both bedrooms enjoy charming balconies overlooking the street, filling the home with natural light.

What truly sets this apartment apart are its original architectural details and timeless character. High ceilings, exposed stone walls, beautiful herringbone flooring, large windows in every room and excellent sound-insulated glazing create a home that is both stylish and wonderfully comfortable.

This is not simply an apartment, it's a place with soul. A home that must be experienced in person to truly appreciate its atmosphere.
