

Townhouse in Casares Playa

€437,000

Casares Playa, Málaga

Bedrooms: 3 | Bathrooms: 3 | Built: 120 m²

Overview

Townhouse with sea views built over three levels in Bahía de Casares, one of the most pleasant beachside communities on the Casares coast, between La Duquesa and Estepona.

The house offers a very flexible layout in which each of the three double bedrooms is an en-suite with its own bathroom — ideal for families and for hosting guests. The living-dining room and kitchen occupy the main level, opening onto a terrace from which to enjoy the views over the bay and the Mediterranean that give the street its name.

The beach and the coastal promenade are a short walk away, the marina and golf of La Duquesa are a few minutes by car, Estepona is 10 minutes and Sotogrande 15. Málaga airport is around an hour away.

Three en-suite bedrooms, sea views and a beachside location at a very sensible price for today's market. Book your viewing today.
