Land in Algeciras

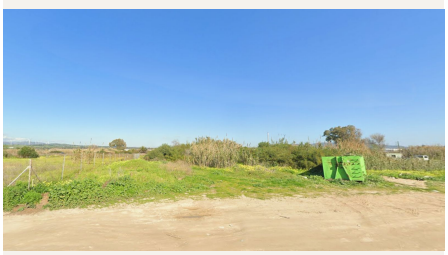

€220,000

Algeciras, Cádiz

Plot: 173880 m²

Overview

Exceptional opportunity to acquire a 173,880 m² rustic plot in Algeciras, situated in a privileged beachfront location, offering impressive sea views and a unique natural setting.

The property stands out for its extensive size, direct proximity to the coastline and magnificent panoramic views, offering a truly unique setting for those seeking a large property by the sea.

Its location combines the peace and privacy of a natural environment with convenient proximity to Algeciras and its main services and transport connections.

Thanks to its characteristics, size and, above all, its exceptional seafront location, this property offers great potential

and features that are difficult to find in the area.

An excellent opportunity for investors or private buyers looking for a large rustic property in a privileged location on the Algeciras coastline.
