Overview

A detached House with 26.000m2 plot and Sea View for Sale in Benalmadena
A group of four plots with a total surface of approximately 26,000 m² in La Viñuela, one of the most peaceful natural settings in Benalmádena, just a few minutes from the coast and local amenities.

The property includes a two-storey house surrounded by countryside, with open views of the sea and the mountains, arranged as follows:

· Ground floor: entrance hall, kitchen, living-dining room with fireplace and a bathroom.
· First floor: three bedrooms and a bathroom.
· Basement storage room and a separate garage for two cars.

The real value of this property is the land: more than two and a half hectares in an elevated location, offering total privacy and a rare amount of space for the area. The land is classified as non-sectorised developable land (urbanizable no sectorizado), which opens up possibilities for appreciation and development in the medium to long term, subject to the corresponding urban planning process.
