€425,000

Casarabonela, Málaga

Bedrooms: 3 | Bathrooms: 1 | Plot: 5080 m² | Built: 171 m²

Overview

There are spaces where time stands still and silence becomes the true protagonist. Nestled on the periphery of Casarabonela, one of the most charming inland villages of Málaga, this property offers a peaceful refuge where disconnection meets closeness. Leaving the asphalted road behind, a comfortable 50-meter gravel path leads directly to the estate, to your new home surrounded by nature, quiet, secure, and private.

The house, entirely renovated with high-end, practically brand-new materials, combines design and functionality. Its living room with a fireplace and open kitchen create a warm and fluid environment, the authentic heart of a home designed to be enjoyed all year round. The bedrooms, completely exterior, receive the light of the Málaga countryside and are oriented to guarantee absolute rest.

The exterior is designed for outdoor living with total comfort: a private swimming pool, a pergola on the patio ideal for cool afternoons, and a plot dotted with olive trees and other trees that provide the genuine character of the Andalusian land. To the calm of its environment is added a complete technical equipment, including electricity, town water, a private well, Wi-Fi connection, and a security camera system.

A place to live with calm, with the necessary space and all the facilities of modern life at your fingertips.
