Benahavís, Málaga

Bedrooms: 2 | Bathrooms: 2 | Built: 73 m² | Terrace: 6 m²

Overview

An exceptional opportunity to acquire a fully refurbished, turnkey apartment in the very heart of Benahavís Village, a highly sought-after location where properties of this quality rarely come to market.

This beautiful two-bedroom apartment offers the perfect combination of contemporary renovation, comfort and convenience, together with the charm of living in one of the Costa del Sol's most desirable villages.

Positioned on a raised ground floor, with no residential property directly beneath, the apartment enjoys the convenience and accessibility of a ground-floor position while benefiting from an elevated setting.

Presented in excellent condition following a complete refurbishment, fresh, contemporary interiors complement the

character of its traditional village surroundings, creating a stylish home that is ready to enjoy from day one.

The apartment features two spacious bedrooms and two beautifully finished bathrooms, along with air conditioning (hot/cold) throughout for year-round comfort. Blackout blinds have been installed in both bedrooms and the living room, while a Smart TV adds to the property's modern conveniences.

The apartment is being sold fully furnished as presented, making this a genuinely turnkey opportunity for its new owner.

A particularly valuable feature of the property is the inclusion of underground parking and a private storage room. Both are highly sought-after in Benahavís Village, where convenient parking and additional storage can be difficult to find. Whether used as a permanent home, holiday property or rental investment, having a secure parking space and dedicated storage provides a significant level of practicality and convenience.

For buyers seeking an investment opportunity, the property has the significant advantage of an existing tourist licence and an established track record of performing very well as a short-term rental. Combined with the fact that it is being sold furnished and ready for immediate use, it offers an attractive opportunity for buyers wishing to combine their own enjoyment of the property with potential rental income.

Benahavís is renowned for its exceptional restaurants, beautiful natural surroundings and relaxed Andalusian atmosphere, while remaining within easy reach of Marbella, Puerto Banús and the coast.
