

Semi-Detached House in Frigiliana

€950,000

Frigiliana, Málaga

Bedrooms: 3 | Bathrooms: 3 | Plot: 340 m² | Built: 165 m²

Overview

A spectacular semi-detached villa featuring a private pool and stunning views of the sea and mountains, situated in a quiet, exclusive area of Frigiliana.

The property is spread across three levels and comprises three spacious bedrooms, two bathrooms, and a guest toilet. It features a large terrace on the entrance level with wonderful sea views, a delightful pool area, and a beautiful, low-maintenance private garden with a barbecue area. Private parking is included, and the property is sold fully furnished—ready for immediate move-in.

You enter the house via the front terrace; immediately to the left is a fully equipped kitchen (including a washing machine), while a guest toilet is located to the right. Straight ahead lies a large, bright, and beautiful living room with

a fireplace and access to the wonderful terrace, which offers outstanding sea and mountain views. From the living room, you also have access to the pool area, located two flights of stairs down.

Descending to the next level, you find three bedrooms—two with sea views, one of which has an en-suite bathroom—as well as another large bathroom.

Continuing down to the ground floor, you gain access to the lovely pool area. This level currently serves as a large multi-purpose room used as an art studio, but it could easily be converted into a separate studio apartment, for example.

The jewel in the crown is undoubtedly the wonderful private pool area—perfect for cooling off on the hottest days of the year. There is plenty of space for sunbathing and relaxation, making it a natural gathering spot for the whole family. As the property is built on a slope, there is also a large, open-plan basement area featuring windows and natural light, further maximizing the home's potential.

Frigiliana is considered one of the most beautiful white villages in the province of Málaga and has received awards for it. Its privileged location, nestled at the foot of the Sierra del Almijara mountains—combined with its rich history, gastronomy, and the warmth of its residents—makes living here a true privilege.

It is less than a five-minute walk to the nearest restaurant, and a fifteen-minute walk to the center of Frigiliana. The idyllic beach in Nerja can be reached by car in ten minutes, and there is also a regular bus service between Nerja and Frigiliana. Málaga Airport is just 45 minutes away, and for golf enthusiasts, the renowned Baviera Golf Course is only a twenty-minute drive; in winter, you can reach the Sierra Nevada ski paradise in Granada in just an hour and a half. Skiing in the morning and swimming in the afternoon—the best of both worlds.
