Overview

A unique property to live in, enjoy, and generate rental income in the charming white village of Ojén.

In the upper area of Ojén, surrounded by nature and with wonderful open views of the mountains and the sea in the distance, we find this unique 247 m2 built property, combining the charm of a village townhouse with the versatility of three distinct living spaces.

An opportunity for those seeking a home with character, spacious outdoor areas, and the potential to generate additional rental income, or simply to enjoy independent spaces for family and guests.

THE MAIN RESIDENCE: A CHARMING HOME WITH PRIVILEGED VIEWS

Distributed over the top two floors of the property, the main home features three bedrooms, two bathrooms, a kitchen, a living room, and various outdoor spaces that form one of its greatest attractions.

Its private terraces invite you to enjoy the privileged climate of the Costa del Sol year-round. Spaces to have breakfast while taking in the mountain views, host outdoor meals, relax in the sun, or enjoy Ojén's peaceful evenings.

The upper terrace, complete with a pergola, BBQ area, and expansive panoramic views, provides a particularly pleasant setting for sharing moments with family and friends or simply unwinding.

TWO ADDITIONAL SPACES WITH MULTIPLE POSSIBILITIES

The property also includes two additional living spaces that offer extraordinary versatility:

Two-bedroom apartment: Located on the first floor, with an independent layout from the main residence. A great option both for housing family members and for renting out.

Loft-style studio: Located on the ground floor, next to the garage. A cozy space that can be used as additional accommodation, guest quarters, or an alternative source of rental income.

This layout seamlessly combines the privacy of the main home with flexible possibilities of use, adapting both to the needs of a family and to a buyer looking for a property with investment potential.

PRIVATE GARAGE IN THE VILLAGE

The property also includes a private garage—a particularly valuable convenience in the town center of Ojén, where having private parking adds significant value.

LIVING IN OJÉN: THE TRANQUILITY OF A WHITE VILLAGE NEXT TO MARBELLA

Ojén preserves the essence of Andalusian white villages, with its traditional streets, whitewashed houses, and a privileged natural setting amidst the mountains.

Its proximity to Marbella allows you to enjoy the tranquility and authenticity of village life without sacrificing access to beaches, restaurants, golf courses, and all the services of the Costa del Sol.

A DISTINCTIVE PROPERTY WITH INFINITE POSSIBILITIES

Thanks to its layout, terraces, views, and additional living spaces, this property offers a rare combination: the chance to enjoy a charming and private main residence while utilizing the rest of the property for family needs or rental yield, subject to applicable regulations and authorized uses.
