Positioned on a private 6,000m² plot surrounded by mature gardens and greenery, the villa has been designed for comfortable indoor-outdoor living with bright open spaces and a calm, welcoming feel throughout. Large windows and open-plan living areas allow natural light to flow into the home while creating a seamless connection between

the interiors, terraces, and gardens.

The property features six spacious bedrooms, including a guest suite on the ground floor, four bedrooms upstairs, and a separate office space, making it ideal for family living or extended stays. Outside, the villa is designed around relaxed Mediterranean living. A heated private swimming pool sits at the centre of the garden alongside several terraces, lounge areas, and outdoor dining spaces that work equally well for entertaining or everyday family life. The property also includes a full-sized private tennis court, outdoor kitchen, barbecue area, gym, games room, and a separate guest or staff apartment with its own private entrance.

The mature landscaped gardens provide a strong sense of privacy while still allowing the home to feel open and connected to its surroundings. A large private driveway offers parking for multiple vehicles, and advanced security systems provide additional peace of mind.
