

Residential Plot in Marbella

€8,000,000

Marbella, Málaga

Plot: 7859 m²

Overview

An exceptional opportunity to acquire two adjoining plots in Marbella Club II to build 2 luxury villas, positioned at the highest points of the urbanisation.

The land, now completely urban and legal, enjoys an extraordinary open outlook: south across the Mediterranean, east and west along the Marbella coastline including Gibraltar, and north towards the mountains and La Concha.

The plots are offered together as a single acquisition. Plot 23 measures approximately 3,012 m² and Plot 25 approximately 4,847 m², giving a combined area of approximately 7,859 m².

These 2 plots are by far highest and best in the whole of Marbella Hill Club 2, presenting a one off special

opportunity that does come around much.
