Overview

For sale a newly fully renovated two-bedroom apartment in the Montemarina residential complex in Riviera del Sol. Located close to Miraflores Golf and approximately one kilometre from the sea, this thoughtfully laid-out apartment combines quality finishes and furnishings and is ready to move into.

At the heart of the home is an open-plan kitchen and living area with a spacious, practical kitchen. The living room opens onto a generous balcony overlooking the golf course and the sea – a lovely spot for morning coffee, soaking up the sunshine or enjoying an evening glass of wine.

The balcony provides access to a private rooftop terrace with stunning views of the sea and town. An outdoor shower is already installed, and there is plenty of space for sunbathing and creating a comfortable lounge area.

There is also the option to install a sauna.
The main bedroom features a spacious wardrobe area and a private en-suite bathroom. The guest bedroom also offers ample wardrobe space. Both bathrooms have electric underfloor heating and windows that provide natural light and ventilation. A separate utility room houses the water heater and washer-dryer.
A new air-conditioning system allows the temperature in each room to be controlled individually via an app. Quality walnut-effect LVT flooring runs throughout the apartment, and all windows have been replaced with high-quality triple-glazed uPVC windows.
The apartment is furnished with quality furniture, and all furnishings and appliances shown in the photographs are included in the sale price. A parking space in the garage is also included.
