Full of character and individual charm, this inviting villa has been lovingly built and maintained by its current owners, creating a home with a truly personal touch. Generously proportioned interiors, plenty of natural light and thoughtful details throughout give the property a warm and welcoming atmosphere.

The accommodation comprises four good-sized bedrooms and three bathrooms, including one en-suite. The villa remains in its original condition but has been well looked after over the years, offering an excellent opportunity for a new owner to modernise and personalise the interiors to their own taste and create a wonderful home.

One of the property's most appealing features is its spectacular outlook. From the rooftop terrace and several areas of the house, you can admire far-reaching panoramic views across the Mediterranean Sea, the surrounding mountains and the picturesque whitewashed rooftops of Nerja.

The garden is filled with colourful hibiscus and established fruit trees, creating a private and leafy Mediterranean setting. A private swimming pool and dedicated barbecue area provide everything needed for outdoor living and entertaining. There is also a private driveway with parking for several vehicles.

Adding further value and versatility is the substantial garage, measuring approximately 120 m², which incorporates additional storage space and offers a range of potential uses.
