San Pedro de Alcántara, Málaga

Bedrooms: 4 | Bathrooms: 4 | Plot: 289 m² | Built: 228 m² | Terrace: 40 m²

Overview

Located in one of the most sought-after areas of san pedro playa, just minutes from the beach and close to schools such as Laude, this recently renovated townhouse combines bright, open interiors with a spacious private garden, swimming pool and jacuzzi.

The main living area forms the heart of the home. The open-plan kitchen and living room create a flowing space that extends into the garden through wide bifold glass doors. When opened, they bring the indoors and outdoors together, making the terrace and garden a natural part of everyday living.

The garden offers separate areas for dining, relaxing and enjoying the pool, with a lawn and timber decking that adds warmth to the setting. A jacuzzi completes the outdoor space.

The property offers three bedrooms and four bathrooms, along with a private garage accommodating one car and additional space for motorcycles, bicycles or storage. The recent renovation brings a contemporary feel, with neutral tones and comfortable, well-connected spaces.

A home that combines generous outdoor space with proximity to the beach and schools in an established residential setting.
