## Overview

Traditional Three-Bedroom Townhouse with Terraces in Frigiliana

Situated in the heart of the beautiful whitewashed village of Frigiliana, this traditional three-bedroom townhouse presents an excellent opportunity to acquire a character property in one of the Costa del Sol's most sought-after locations. Full of authentic Andalusian charm, the property is arranged over several levels and offers a combination of traditional features, comfortable living spaces and attractive outdoor areas.

The interior retains much of its original character, with traditional tiled flooring, wooden detailing and a layout spread across multiple floors, connected by internal staircases. The kitchen is fitted with wooden cupboards, an oven, hob and extractor fan, while the bathroom comprises a bathtub with shower, washbasin and WC.

The property offers three bedrooms, providing versatile accommodation suitable for permanent living, family holidays or welcoming visiting guests. Its multi-level design adds to the traditional village-house appeal and provides an opportunity to create a home that reflects your own personal style.

A particular highlight is the property's outdoor space, with terraces offering the perfect setting for al fresco dining, relaxing in the sunshine or simply enjoying the peaceful surroundings. From here, you can take in lovely views across the village rooftops and towards the impressive surrounding mountain scenery.

While the townhouse maintains plenty of traditional charm, it would benefit from some updating and offers excellent scope for a new owner to modernise and personalise the interiors to their own taste, creating a wonderful home in a truly special setting.
