Penthouse Duplex in Riviera del Sol

€335,000

Riviera del Sol, Málaga

Bedrooms: 2 | Bathrooms: 2 | Built: 72 m² | Terrace: 28 m²

Overview

Two-bedroom penthouse in Riviera del Sol, Mijas, with sea views and 28 m² of terraces for outdoor dining and relaxing. Set within a gated community with palm-filled gardens and a swimming pool, this furnished home combines outdoor space with an easy-to-maintain interior.

Arranged over two levels, the property comprises two completely independent apartments, each with one bedroom and one bathroom, giving you flexibility to welcome family or friends in their own space. The property has a fully fitted kitchen. A bedroom beneath a sloping, beamed ceiling adds character, while fitted wardrobes provide practical storage. The sloping roof can be straightened easily, as many neighbours have already done. The home is presented in excellent condition, with hot and cold air conditioning for comfort throughout the year.

The terraces are a particular attraction. A covered dining area makes a welcoming spot for breakfast or a leisurely lunch overlooking the gardens, while an external spiral staircase leads up to an open upper terrace. There is room here for sun loungers and a small table, so you can enjoy a quiet afternoon outdoors. Views across the greenery towards the sea complete the setting.

The communal grounds of Urbanisation Alhamar bring together lawns, mature palms and planted borders around the swimming pool, offering an inviting place to cool off or spend time outside without maintaining a private garden.

With 72 m² built, a further 28 m² of terrace space, fibre-optic connectivity and street parking, this is a practical option for a holiday base or year-round home on the Costa del Sol. Arrange a viewing to appreciate the terraces and garden setting in person.
