EXCEPTIONAL OPPORTUNITY IN LA ALCAIDESA | APARTMENT OVERLOOKING A PROTECTED COASTAL LANDSCAPE | €315,000

NEW TO THE MARKET | EXCLUSIVE LISTING BY PERLA DE LA COSTA

We are delighted to present our latest exclusive listing: a beautifully maintained two-bedroom, two-bathroom apartment with additional enclosed living spaces and lovely open views over the protected Guadalquitón coastal landscape. Located on the first floor of the sought-after Las Terrazas de Alcaidesa residential development, this property enjoys a peaceful natural setting in one of the most attractive and increasingly desirable areas of the southern Costa del Sol. Offered at €315,000, the property includes two underground parking spaces and a

spacious private storage room. An excellent opportunity for buyers looking for a comfortable Mediterranean home, a holiday retreat or an investment property close to the beach, world-class golf courses and the exclusive surroundings of Sotogrande.

A BEAUTIFULLY MAINTAINED APARTMENT WITH FLEXIBLE ADDITIONAL LIVING SPACE

The apartment offers approximately 75 m² of usable interior space, together with an additional 11 m² open terrace. The accommodation comprises two comfortable bedrooms, two bathrooms, a bright living and dining area, and a separate kitchen. The property has been exceptionally well cared for by its current owners. Its clean, welcoming interiors and practical layout make it an appealing choice for both permanent living and holidays.

One of the apartment's most interesting features is the thoughtful use of its original terraces to create additional enclosed spaces. The current owners have enclosed and glazed one of the terraces adjoining a bedroom, creating a versatile covered area that can be adapted to suit the new owner's lifestyle. This additional space could become a cosy reading corner, a home library, a peaceful relaxation area, a small home office or a dedicated children's play area. It offers the flexibility to create something personal without compromising the comfort of the main rooms.

The kitchen has also been extended into an enclosed and glazed terrace, providing valuable extra space for storage, household organisation or additional kitchen cabinetry. The kitchen will remain furnished and equipped with an oven, hob and extractor hood, offering a practical starting point for the new owner. The living and dining area provides a welcoming space for relaxing, entertaining and spending time with family and friends. Natural light and warm interior tones contribute to the comfortable Mediterranean atmosphere.

The open terrace is another highlight, offering beautiful views towards the green surroundings of the protected Guadalquitón coastal landscape. It is an ideal place to enjoy a morning coffee, unwind in the afternoon or simply appreciate the tranquillity of the natural surroundings. The property also benefits from two underground parking spaces, measuring approximately 12 m² and 19.5 m², together with a generous private storage room of approximately 13 m². These additional facilities are particularly valuable for families, golfers, cyclists and owners who wish to store sports equipment or personal belongings securely. The apartment is sold unfurnished, with the fitted kitchen and the specified kitchen appliances included.

La Alcaidesa combines the charm of a relaxed seaside community with the convenience of modern amenities and an expanding selection of high-quality leisure facilities.

The local centre provides shops, restaurants, cafés, bars, a pharmacy, a gym and essential services for everyday

living. The area is also benefiting from ongoing infrastructure improvements and new recreational facilities, with a children's playground planned nearby. For families, this combination of natural surroundings, outdoor activities, swimming pools and convenient local amenities makes La Alcaidesa particularly appealing.

Living so close to an internationally recognised golf resort is a significant lifestyle benefit and may also appeal to buyers considering a property for golf-related holiday rentals, subject to applicable regulations.

La Alcaidesa is attracting growing international attention thanks in part to its expanding luxury hospitality sector. The area is home to two prestigious five-star hotel developments, Fairmont La Hacienda Costa del Sol and OKU Andalusia. These high-end destinations enhance the appeal of the surrounding area through luxury accommodation, gastronomy, wellness experiences and premium leisure facilities. Their presence reflects the increasing profile of La Alcaidesa as a destination for discerning international visitors and property buyers.

BEAUTIFUL BEACHES AND EXCELLENT CONNECTIONS
