Overview

Location, location, location! This exceptional frontline beach duplex penthouse is located on one of the best beaches in Calahonda, within easy walking distance of restaurants, supermarkets, beach bars and even the picturesque marina of Cabopino.What we particularly love about this property are its spectacular panoramic sea views. You can even spot dolphins in the Mediterranean while enjoying your breakfast! Another great advantage is that you and your guests can enjoy everything this fantastic location has to offer without needing a car. We also love the impressive rooftop solarium, with its tastefully decorated semi-outdoor dining area, bar stools and small table overlooking the sea – the perfect place to relax, entertain friends or enjoy a drink while taking in the breathtaking views.

Calahonda is ideally situated on the Costa del Sol, approximately 15 minutes by car from both Marbella and Fuengirola.
Frontline beach properties are always among the most sought-after properties on the Costa del Sol, and with its exceptional location and spectacular sea views, this impressive penthouse really is a must-see property.
We have the keys in our office, allowing us to offer easy and flexible viewings seven days a week.
